Nature of Meeting: to discuss Sidewalk replacement on the west side of Saathoff's old cafe

Meeting Report: Jessie Pointer has purchased the cafe building, before construction can continue, the sidewalk needs removed. It slants and goes toward the building. Concerns were brought up about removing the sidewalk next to the building and causing damage. Brett said he would remove that part so the Village wouldn't be responsible. Sherry will call all other board members for verbal approval so construction can move forward.  
Adjourned 5:20

Committee Recommendation: ~~Not to~~ To have village tear out sidewalk except for area next to building. To replace sidewalk after bldg construction is final.  
Estimated Cost \$3600 for concrete \$4928 for replacement
